

## 99 Honeybaked AAA Hockey Team What Christmas is really about!

The **Honeybaked 99's** visited and toured the Grace Centers of Hope in Pontiac on December 16th. They donated items that were well needed at this facility that houses individuals and families who are in need of rehabilitation, safety, and direction. They met some very appreciative and nice people during their visit and learned some things about real life. Amy and Wendy, their tour guides, really enjoyed meeting the boys and were excited to hear their hockey stories. We're very proud of the boys and many thanks to the center for welcoming us with open arms.
